A Note From the Pastor

Well, it's August.....National Picnic Month. Really???? The only place cool enough to have a picnic in August is around the kitchen table. Who sets up these things anyway, somebody in Alaska?

Summer vacation is winding down. Teachers, administrators, and support staff will be heading back to school in the next week or so, and the students won't be far behind. Where did the time go?

I hope each of you will be praying for everyone involved in the school business. It's a tuff job and oh so important. Be thankful for all who have a part in educating our children.

August is the last month of the church year. I have been asking for volunteers to take places of service in the church. I hope you will be prayerfully considering what place of service you will take. There is a position for each and every one of us. Please let me know here you would like to serve.

The morning worship service on August 19th will be a time of testimony and music provided by Lynette Johnson. Lynette was with us last year around this time, and it will be a blessing to have her back again. Please be in prayer for her as she prepares to bless us with the talent God has given her.

The Ruthven Benefit was a huge success. I know that everyone involved received a blessing by being a part of it. Please continue to keep the entire Ruthven family in your prayers. God is good!!

I hope you will be an active participant at all of our services. There are so many in our family, our community, and in our world that need our prayers.

Thanks and God Bless You All

David L. Atwood
