## Nursery

Our Nursery is available during Sunday Morning Worship Service for children Ages Birth to Kindergarten.

We are so grateful for all of our volunteers who love God and our children and lovingly teach the children about our Lord each Sunday.

I have no greater joy than to hear that my children are walking in the truth.

## *From the Pastor's Desk*

I would guess that the majority of conversations we are having these days with family, friends, and neighbors begins with an assessment of the terrible heat we are experiencing. We all know that the “dog days of summer” come every year, but the early arrival of 100+ degree days and the oppressive heat and lack of rain is beginning to get to us all.

But just as we know that the heat and lack of rain comes every summer, we also know that Gods blessings come, not just every summer, but every day. Our focus as Christians should be on the internal, not the external. Seasons come and go, but our relationship to God is eternal, and we should be focused on growing that relationship day by day, regardless of how parched and thirsty our yards, gardens, and pastures are.

Centuries ago, David said it this way:

**“Oh God, You are my God; early will I seek You; my flesh longs for You in a dry and thirsty land where there is no water.” Psalm 63:1 NKJV**

Even though King David had been temporarily deposed from his throne by his own son and had to flee to the wilderness of Judah, his relationship with God was still his foremost priority. His thirst for God in the dry and thirsty land that he had retreated to was greater than the threat to his political fortunes.

No matter what our earthly circumstances may be, our top priority should always be thankfulness for Gods blessings, and the desire for a closer walk with Him.

The late Olen Miles used to say it this way; **“Keep on keeping on for Jesus!”** I pray that your focus in this distressing time will be just that. And remember that there are always those whose needs are greater than ours; keep them in prayer every day.

God bless you all,

*David L. Atwood*
