It seems like anytime something catastrophic happens, our conversations with others begin to sound like this: “I remember exactly where I was when.....”

- John F. Kennedy was assassinated
- The Cuban missile crisis began
- 9-11 happened
- The space shuttle blew up
- Covid-19 changed everything
- Etc, etc, etc....

Well, since its August I thought I would jog your brain a little (if the heat hasn't already done so). Do you remember exactly where you were on August 16, 1977? Elvis Presley, the king of rock and roll, died on that day at the age of 42. I was working on an assembly line at IBM at the time. It seemed like the whole world went into mourning because the king was dead.

Over the history of the world, there have been many who have carried the title of “king”. Some were good, some were bad, but most of them we don't remember at all. **But there is one King, the only King, who is worthy to be remembered at all times, for all time.** The catastrophe is that so many **don't** remember; they don't remember Him when we celebrate His birth, they don't remember Him when we celebrate His death and resurrection, and they certainly don't remember Him daily for His blessings on our life.

**“Now to the King eternal, immortal, invisible, to God who alone is wise, be honor and glory forever and ever. Amen.” I Timothy 1:17 (NKJV)**

My prayer is that it doesn't take a catastrophe to make you turn to Him and think of Him daily. King Jesus was born to die for your sins, to enable you to be a child of God. Why would anyone **not** remember that?

Please continue to pray for those of our church family and community that need the touch that only Jesus, the King, can give.

GOD BLESS YOU ALL,

*David L. Atwood*
