A Note From the Pastor

There are several holidays we celebrate during the month of February, such as Groundhog Day, Abraham Lincoln's birthday, and George Washington's birthday. But I think the holiday that most of us think of when February rolls around is Valentine's Day. Valentine's Day is named after a Saint Valentine who was imprisoned for helping Christians in their distress during the rule of Rome. He was martyred in 269 A.D. for refusing to recant his faith in Christ.

Valentine's Day is a time when people express their love for a special person in their life; romantic love. But the love we express daily to others by our words and deeds should be the same love Jesus Christ expressed to us through His life and death; sacrificial love.

"For God so loved the world that He gave His only begotten Son, that whosoever believes in Him should not perish, but have everlasting life."

John 3:16

I hope we don't wait until Valentine's Day to express our love to those who we hold dear, but we will tell and show them how much we love them every day, because of how much Jesus loves us.

We can also show His love to others through our service to and through our church family. Please dedicate yourself to sacrificial serving and giving, and be a part of all our church family's activities and service projects.

Always remember to pray for those in our church family and community who are in physical and spiritual distress. Display to them the love of Jesus Christ.

God Bless You All; I Love You,

David L. Atwood
