From the Pastor's Desk

It's February and I'll bet you're thinking my letter will be about love and Valentine's Day. Well, you're half right.

But before I get to that, I found an interesting piece of information. According to grammarerrors.com, the word February is probably one of the most commonly mispronounced words in the English language. I personally think that whoever came up with the word misspelled it to begin with! Anyway.....

The word February actually comes from a Latin word meaning purification, used in a Roman festival.

Purification in the Old Testament was part of the religious/social structure in the Mosaic laws of the Israelites.

For us as Christians, purification or purity is attained by submitting our lives to Jesus, and the blood that He shed on the cross washes our sins away. It is our faith in Him as our Lord and Savior that purifies us.

"And everyone who has this hope in Him purifies himself, just as He is pure". I John 3:3 (NKJV)

There is no greater love than this, that He would do that because of His love for us.

But being pure is not a daily, monthly, or yearly ritual that we perform; it is the life that we live in Christ every day.

Please continue to remember in prayer those of our church family and community who need to see and feel the love of Jesus.

God bless you all,

David L. Atwood
