We are so grateful for all of our volunteers who love God and our children and lovingly teach the children about our Lord each Sunday.

From the Pastor's Desk

There are many things to be thankful for these days; the first things that come to my mind are iced tea and air conditioning. But every American knows that when July rolls around, our thoughts turn to thankfulness for the freedom that we all hold dear. The founding fathers that declared our freedom on July 4th, 1776 may not have been thinking of us, 247 years down the road, but we should be thinking of them and be thankful. We should also be thankful for all who placed their lives on the line to obtain and defend this freedom we have.

Although not all of those founding fathers were Christians, the principles of the bible was the model for our Declaration of Independence. Sadly, the immorality and worldliness that is growing like a cancer in our society today is making a mockery of those principles.

Galatians 5:22-23 says, "But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law". (NASB)

We can already see the damage that has been, and is being done, by ignoring these principles and denying the truth of God's Word. If this trend continues, the United States of America has some dark days coming.

The only real and lasting freedom we have is freedom in Christ. Jesus Christ said, "So if the Son makes you free, you will be free indeed". (John 8:36 – NASB).

That is the **only** freedom that can never be taken from you and me.

Please pray for our country, for each other, and for those less fortunate than ourselves.

God bless you all,

David L. Atwood
