**QUALITY CRAFTS**

Each month we will collect specific items to help fill shoeboxes. "Quality crafts" would consist of DIY projects such as homemade items & handmade toys, things you make with love. Pinterest has some great ideas.

# A Note From the Pastor

The month of March brings two highly anticipated events for most of us; Spring and Daylight Savings Time. Spring is the time for planting gardens, and Daylight Savings Time gives us more daylight hours to be outside gardening and doing other things we enjoy. I can't wait to pick and eat those first ripe tomatoes!

There are two verses of scripture that address planting and daylight, but not in the way we think of them. They both give us very important information as Christian "farmers". 1 Corinthians 3:6-7; Paul said, "I planted the seed, Apollos watered it, but God made it grow. So neither he who plants nor he who waters is anything, but only God, who makes things grow". John 9:4: Jesus said, "As long as it is day, we must do the work of Him who sent me. Night is coming, when no one can work."

We all have work to do in God's spiritual garden and no matter who plants the seed or who waters it, it is God who gets the glory, because it is God who saves, not us. Jesus had three years of ministry to do everything that the Father had mapped out for him to do. He was busy.

We also have been allotted a certain amount of time and none of us knows how long that is. Therefore, as the saying goes, "We have to make hay while the sun shines."

As the time grows near when we get busy taking care of gardens, yards, and other outside things, remember to set aside plenty of time to work in "God's Garden". We have lots of activities scheduled in the coming days and months, and there are always plenty of church and community members who need to be lifted up physically and spiritually.

God Bless Ya'll,

*David L. Atwood*
