A Note From the Pastor

The month of May sends a signal that something is fixing to end and something else is fixing to start. The something that's fixing to end is the school year. I'm not sure who is more excited about it, the kids or the teachers. The something that's fixing to start is vacation season. Everyone gets excited about vacation time.

Speaking of ending and starting, in Wednesday night Bible Study we are working through the Book of Romans. Romans 6:4 says, "We were therefore buried with Him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life."

When we surrender our life to Christ, our baptism signals the end of the old life we lived under the dominion of sin, and the start of a new life in Christ. We still sin, but the dominating force of our life has changed from sin to Christ.

There are things constantly ending and beginning in our lives. The best way to deal with all those changes is to keep your eyes upon Jesus.

I hope you keep up with all the services and activities of the church and do your best to be a part. Keep our church family, community, and nation in your prayers at all times.

God Bless You All

David L. Atwood
