We love our mothers! Here is a cute true story!

My mother had just finished taking a CPR class at a local college when she and I were in the mall and saw a big crowd gathered around a still body. Mom took off running at a speed I didn't know she could muster, yelling, "Everyone back! I know CPR !" Just as she threw herself next to the body and was about to begin, a pair of strong hands pulled her to her feet. "Ma'am, said a police officer beside her, "we are trying to arrest this man." – *Talea Torres*

Note from the Pastor

We have all heard the rhyme, “*April showers bring May flowers*”. If that holds true, the month of May this year should be a super abundant bouquet of nature’s beauty. Of course, we know that around here flowers begin to bloom before May, and April is usually not as wet as this year. My rain gauge has registered 13” of rain this April!

An old hymn says, “There shall be showers of blessing, this is the promise of love. There shall be seasons refreshing, sent from the Savior above”. We are so blessed with the abundance of blessings that the Lord sends our way. I think we get so used to the abundance of His blessings, we sometimes expect that we should have that same abundance in **every** aspect of our lives.

In Luke 12:15, Jesus said, **“Watch out! Be on your guard against all kinds of greed; a man’s life does not consist in the abundance of his possessions.”**

God supplies **our needs**; we must guard against using our time and talents solely for the purpose of acquiring an abundance of things **we want**. Our lives are to be spent glorifying God through worship and service.

We all love “*our stuff*”. Just make sure that “*your stuff*” doesn’t become more important to you than your relationship to Jesus Christ. If our lives are focused on Him, He will see that we are showered with the blessings we need. As a result, our lives will produce a super abundant bouquet of his beauty around us.

Please make it your prayer to be an active participant of all of our services and activities this month, and make sure to remember in prayer all of God’s children who need his special touch.

God bless you all,

David L. Atwood
