From the Pastor's Desk

The month of May is the time to start thinking about the end of school, the start of vacation season, spring weddings, summer gardens, and the list goes on and on. The month of May is also a month of holidays. I want to mention two of those holidays, because they are so important to every one of us.

Mother's Day and Memorial Day are important because they honor two specific groups of people that have given their all for us.

There is nothing I can say about the love of our mothers that you don't already know. A mother's love, devotion, and sacrifice for her children is a gift of such greatness that only the love of God surpasses it.

On Memorial Day, we honor the memory of all United States armed forces men and women who have made the ultimate sacrifice for our freedom as American citizens.

The word that ties these two groups of people together is "sacrifice". They gave something they prized (their life) for something they prized more (our life, our freedom).

The greatest sacrifice of all time is the one made by God for our eternal safety and freedom from sin. The love, devotion, and sacrifice required to send Jesus Christ to the cross for our sin is beyond our comprehension. We are not required to understand it, just to accept it and receive Jesus as our Savior and Lord.

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life".

Always remember those in your prayers whose lives need the special touch that only Jesus Christ can give.

Thanks and God bless,

David L. Atwood
