# A Note From the Pastor

When November comes, we automatically think of Thanksgiving and all the sights, sounds, feelings, and smells that go with that holiday. Why can't that atmosphere last all year long?

Did you know the company that produces Butterball turkeys has a hotline for asking questions about cooking your turkey? One lady called in and asked if she could leave her turkey cooking for 4 or 5 days, because her daughter loved the way it makes the house smell!! The company advised her to follow the directions on the package and **NOT** cook it for 4 or 5 days. Duh!!

“Rejoice in the Lord always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in everything, by prayer and petition, **WITH THANKSGIVING**, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.”

The Bible encourages us to maintain that Thanksgiving spirit all year long, by rejoicing in the Lord. We can, and should be thankful for God's provision and peace always. If you want the smells to last, I'm sure someone makes a Thanksgiving scented candle.

I hope you will make all the church's November activities a priority. Keep on praying for those around you, and be thankful, always.

God Bless You All,

*David L. Atwood*
