# A Note From The Pastor...

When people think of October, most think of Halloween. It was originally called "All Hallows Eve" and was a time to remember and honor Christian saints and martyrs. From there, somehow it became a day of costumes, parties and CANDY. Of all the candy purchased annually in the United States, 1/4th of it is for Halloween. Therefore, in my opinion, it should be referred to as "All Dentists Day."

But seriously, October is the beginning of one of the most beautiful times of the year. Fall arrives with cooler temperatures; most of the crops have been harvested; the leaves begin to change color and fall from the trees and festivals are celebrated in many small towns and churches. It is the beginning of the time of year when most trees and plants become dormant and the growth process is slowed down or suspended.

I hope that there never is a time or season in our lives when our Christian faith and service becomes dormant. The growing of our faith begins when we come to know Jesus as our Lord and Savior. The maturing of our faith is a life-long process and it should never slow down or become suspended in our lifetime on this earth. Likewise, God has given us skills and talents to be used, not to be stored away like our summer and winter toys, only to be brought out and used at certain times of the year.

I pray that your October will be one filled with an ever-growing faith, and a yearning to serve God in whatever place He has planted you. Please make plans to be a part of all of our church's activities, and remember in prayer those in our church family and community that have needs.

Thanks and God bless you all,

*David L. Atwood*
